

Mission, Vision and Values Statement of the Union Sportive des Polices d'Europe

Mission

The USPE, the official European police sport organization

- cares for its member countries and their athletes
- organizes European Police Championships (EPC) in a variety of sport disciplines, Congresses and Police Sport Conferences
- shares best practices and communicates actively
- uses sport as a universal language to build contacts between police services and officers all over Europe
- cooperates with partners to achieve its goals

Vision

The USPE wants:

- to stay the **leading** European police sport organization
- to improve continuously the **quality** of the USPE European Police Championships and other USPE events
- to **support** the member countries to organize and to participate
- to **offer** the member countries instruments to develop the physical and mental fitness and health of police officers
- to be a **reliable** partner to European authorities and international sport organizations
- to **develop** the trust and understanding between police services and officers in Europe
- to be a **value** driven organization
- to protect its **liability** and the European Police Championships as a **trademark**
