

USPE CONFERENCE 2013

HOW TO ORGANIZE
AN EUROPEAN POLICE CHAMPIONSHIP
Dominique DEMOEN – France

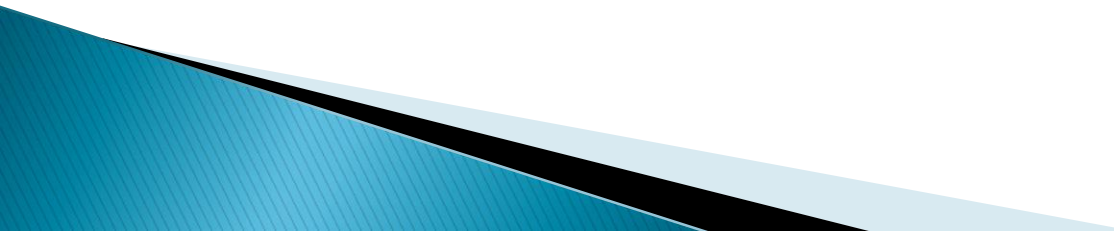

WHY?

- ▶ To feel like doing something together
 - ▶ The success of an EPC is always the success of a group
 - ▶ Organize never alone this kind of event
- 

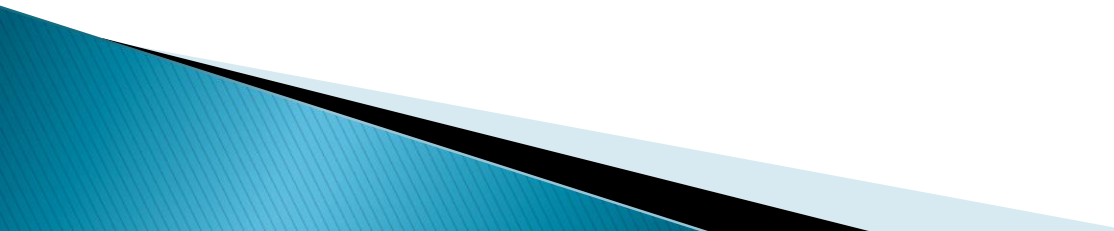

WHEN?

- ▶ In the beginning or at the end of the sport season
 - ▶ Avoid the holidays (problem to be free during these periods)
 - ▶ Avoid the sport season (problem with the civilian clubs)
- 

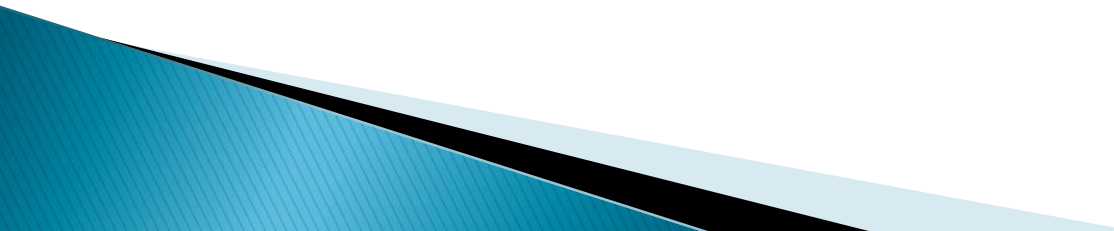

WHERE?

- ▶ Choose a location easily accessible by plane, train or car
 - ▶ Try to find in a close area the accomodation and the venue
 - ▶ Do your best to avoid the shuttles
- 

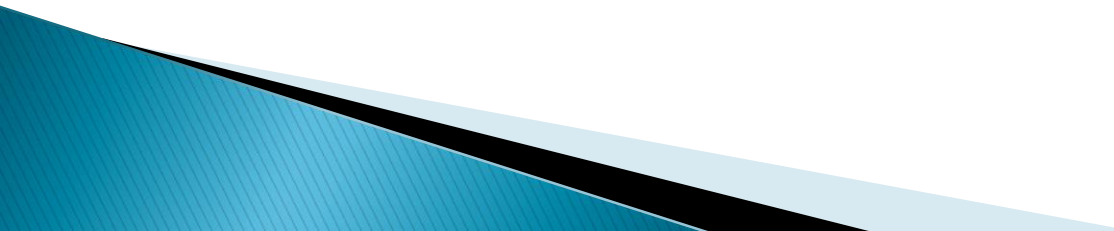

VOLUNTEERS?

- ▶ Without volunteers, nothing is possible
 - ▶ Well choose the volunteers and be clear on their jobs
 - ▶ A volunteer is not a spectator but an actor who does a service
- 

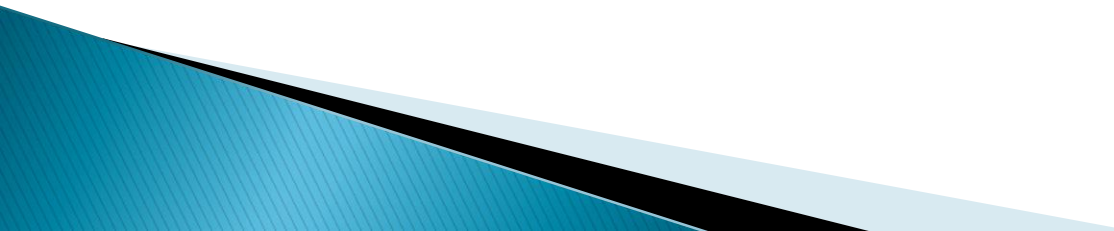

DISTRIBUTION BY FUNCTION?

- ▶ Clarify all functions
 - ▶ Each volunteer must know her job
 - ▶ Avoid confusion (a ballboy is not a driver)
- 

BUDGET?

- ▶ Everybody doesn't know to manage a budget and to find financial support
 - ▶ A personal relationship is the beginning of sponsoring
- 

MY FORMULA

- ▶ At the beginning of EPC, I am very happy to welcome to all participants
 - ▶ At the end of this event, I am very happy to say goodbye to all participants
 - ▶ My experience, I organized 9 EPC since 2001 in France
- 

MY FIGHTING SPIRIT

- ▶ When you walk alone a storm hold your head up high and don't be afraid of the dark...
 - ▶ Walk on, walk on, with hope in your heart, and you'll never walk alone...
-
