Dear sports friend

Kongsvinger, 5th of May 2022

Information regarding USPE EPC Football women in Trondheim 13th–20th of June 2022.

- We have to change the schedule for some matches due to a request from Ranheim Stadium. We refer to the updated invitation.
- We asked for feedback on training time Monday 13th of June. Some countries arrive too late Monday for the possibility to have training. If anyone wants training on Tuesday 14th of June, it can be arranged for a fee.
- We are investigating the possibility of renting a massage table that can be placed in the physiotherapist's room. I ask for feedback from those who want this option. The physiotherapist will be allocated in a double room. The rent for the massage table will be invoiced.
- We need information regarding food allergies

Kind regards

Per Olaf Nordli
Secretary General
